Mahindra

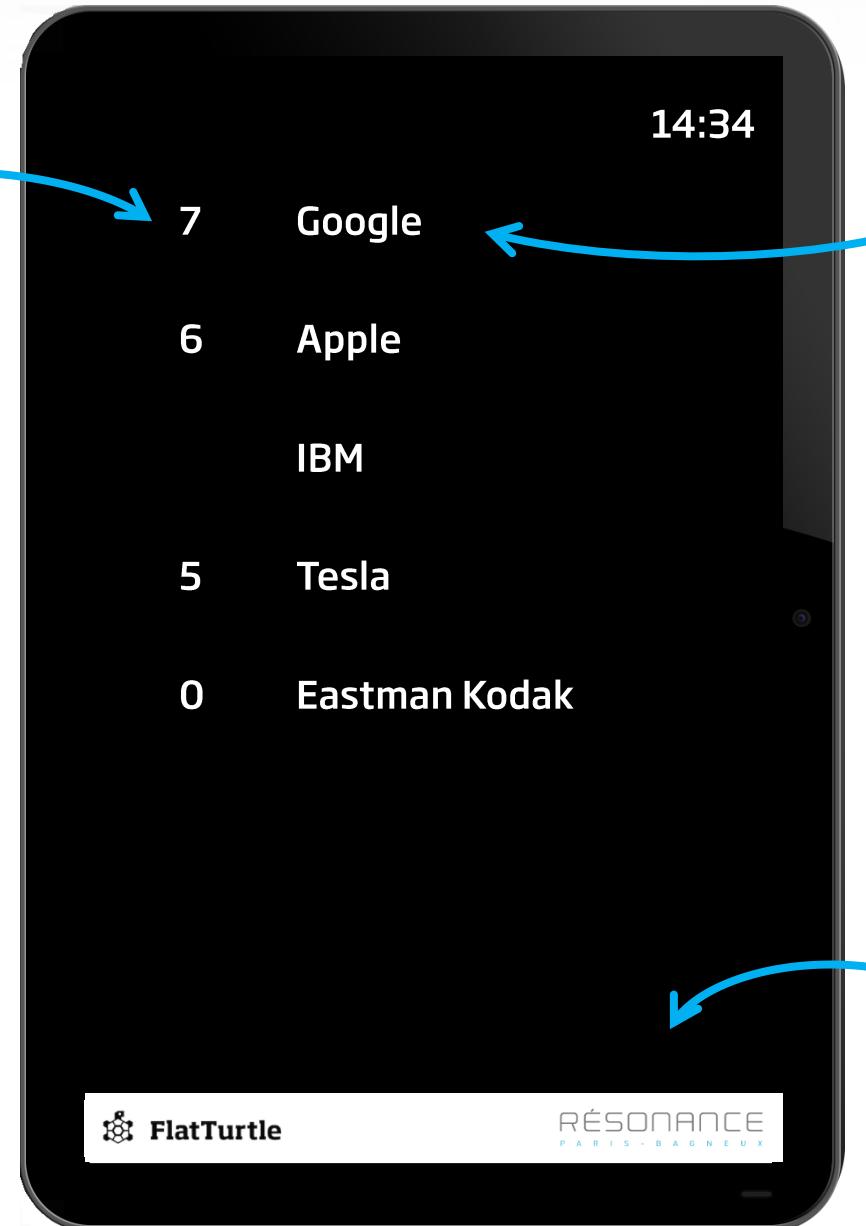

Example:

Digital Building Directory

Easy to adapt via a simple
internet connection

Floor
Add one or more floors

Company Name
Add one or multiple
company name(s)
each floor.

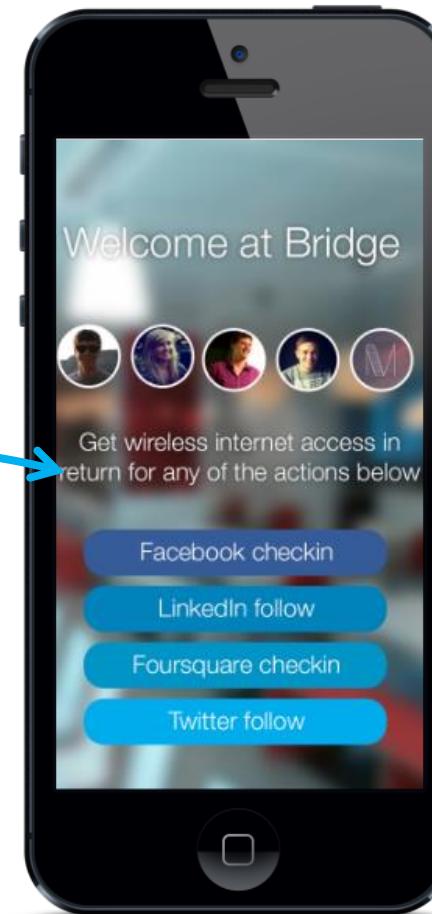

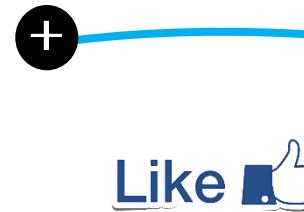

Building Logo
Add the name, logo,
address, helpdesk
...whatever.

Example:

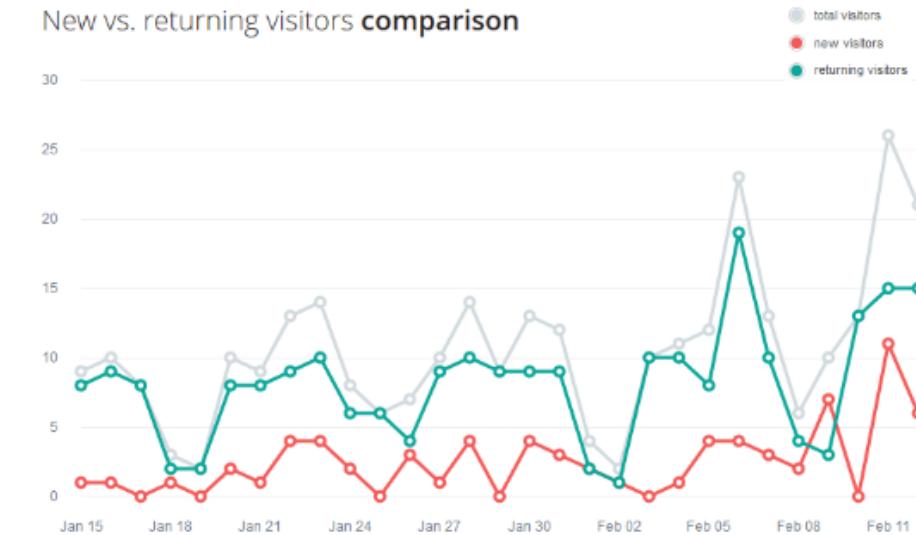

Free Superfast Wi-Fi

Communicate via the LandingPage,
connect with Users
and get Insights

Communicate &
Engage
Add your logo, your
message on a
“welcoming”
landingpage.

New vs. returning visitors **comparison**

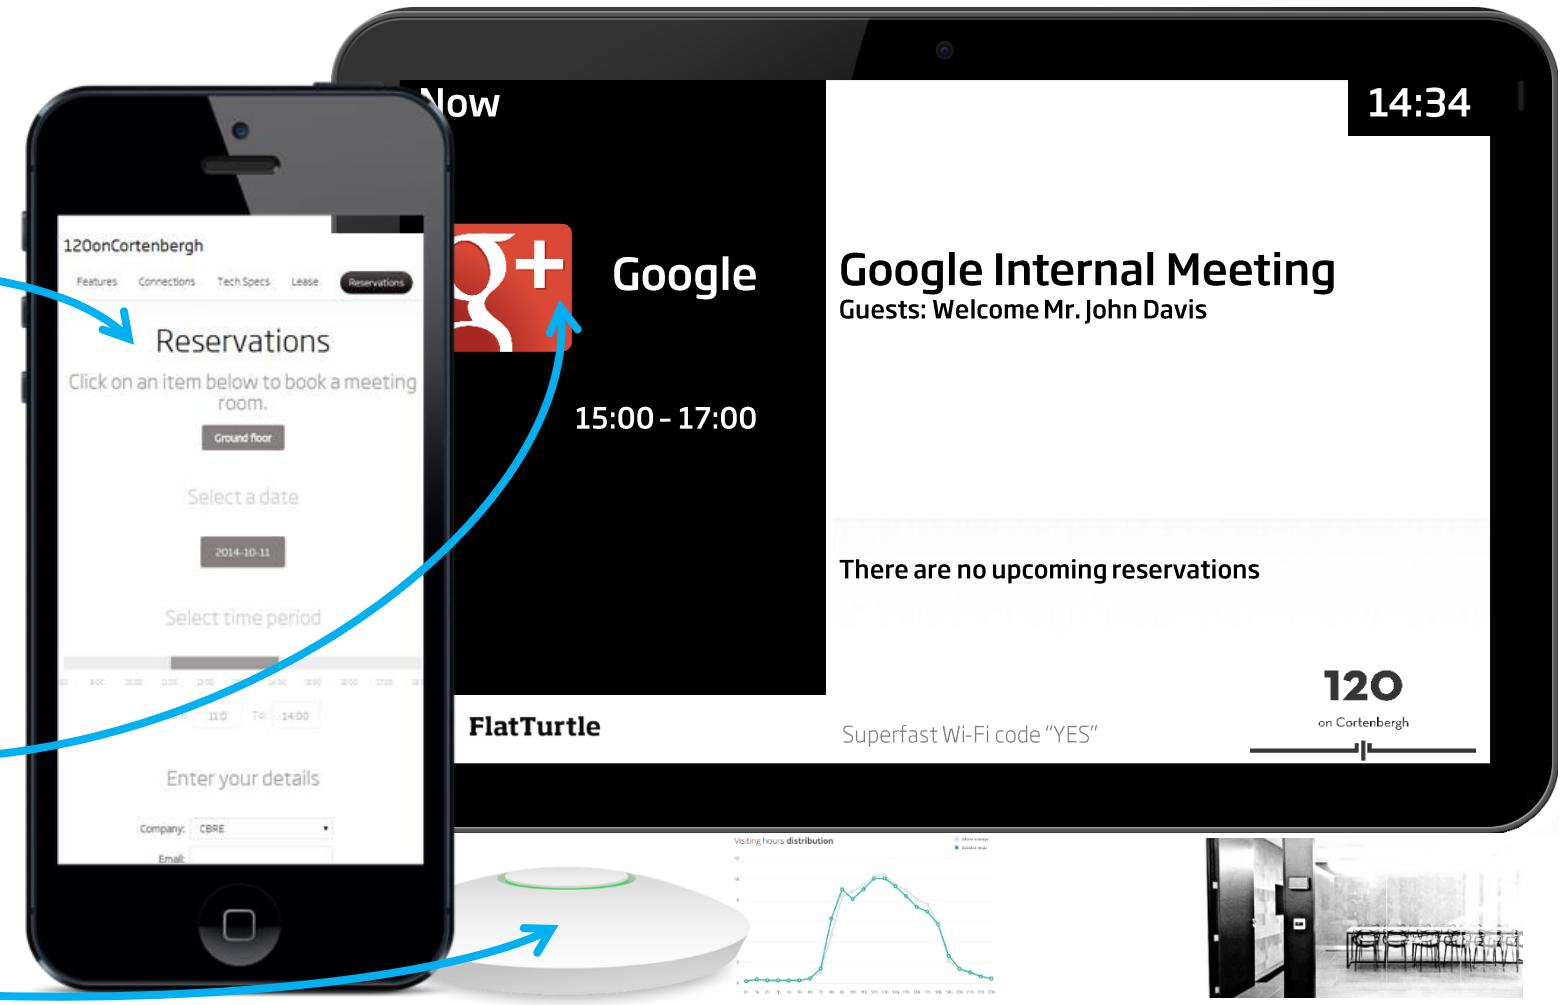

Example:

Meeting Rooms

Book, Manage, Control & Communicate

Book
one or multiple shared facilities under your personal account.

The composite image illustrates how FlatTurtle integrates with other platforms:

- Smartphone (Left):** Shows the FlatTurtle mobile application interface for booking rooms. A blue arrow points from the "Book" text to the "Reservations" section of the app.
- Tablet (Middle):** Shows a Google+ integration screen. A blue arrow points from the "Personalise" text to the Google+ logo.
- Large Smartphone (Right):** Shows a meeting summary titled "Google Internal Meeting" with guests "Welcome Mr. John Davis". The time is 14:34. A blue arrow points from the "Share & Engage" text to the "Superfast Wi-Fi code 'YES'" displayed on the screen.

FlatTurtle Features shown in the composite image:

- Room booking interface on the smartphone.
- Google+ integration on the tablet.
- Meeting summary and guest list on the large smartphone.
- Superfast Wi-Fi code "YES" displayed on the large smartphone.
- 120 on Cortenbergh logo on the large smartphone.
- Graph of visiting hours distribution on the large smartphone.
- Image of a meeting room on the large smartphone.

Personalise
Welcome participants to
"their" meetingroom
with "their" logo.

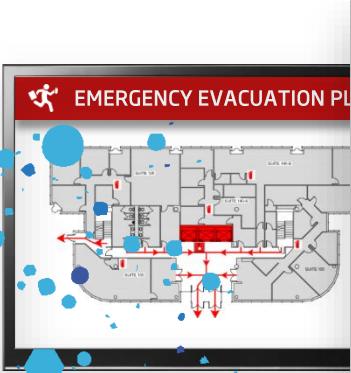

Share & Engage
with superfast Wi-Fi and
get insight on usage
